To Whom It May Concern:

The Long Island Chapter of National AMBUCS, Inc. is currently seeking funds to purchase AmTryke® therapeutic tricycles for area children and adults with disabilities and are requesting your consideration for a donation to purchase one or more AmTrykes®. The cost of the tricycles depends upon the size and accessories required by the recipient.

The ability to ride a bicycle is often a lost opportunity for people with mobility or developmental disabilities. But children who receive an AmTryke® are given the opportunity to engage in inclusive play and at the same time build strength. The AmTryke® therapeutic tricycle was designed for people with disabilities, enabling them to use their hands, feet or both to power the tricycle. There are several adaptations that can be done when fitting someone to an AmTryke® including frame size, frame positioning, seat selection, head rests, lateral support, foot cups, handgrip placement and pedal size. It allows freedom to travel, builds self-esteem, strength muscles and improves motor coordination and range of motion while making exercise fun.

AMBUCS Long Island's mission is to help create mobility and independence for people with disabilities. We do this through community service and the donation of AmTrykes®. National AMBUCS, Inc. is a 501(c)(3) non-profit corporation, and all gifts are tax deductible.

We hope that you consider partnering with us in providing the gift of mobility to local children or adults with disabilities. All donations go directly towards the Amtryke Project.

**Donations can be made through Zelle to ambucslongisland@gmail.com
make checks payable to: The Long Island Chapter of National AMBUCS, Inc. and mail to the address above.**

Or use the QR Code below

Your donation is fully deductible as allowed by law, subject to income limitations. Donations received prior to the end of any given tax year are deductible for that tax year. Consult your tax advisor for further information.

Sincerely,

Debbie Metz
